

## Join WIKAIR: Shape the Future of AI Education!

Are you a high school or university student passionate about technology and eager to make a difference?

**WIKAIR**, a student-led nonprofit dedicated to promoting **artificial intelligence and AI applications and related fields** among middle and high school students. WIKAIR is growing and expanding - we invite you to join our mission!

## We're Recruiting!

Here are some of the current open roles—pick one, or combine multiple if you're interested:

### 1. Workshop Presenter / Lead (e.g., AI + Cinema, AI + Psychology, etc.)

- Prepare and deliver engaging workshops that connect AI with real-world themes.
- Must have a strong interest in AI and a clear topic idea to propose.
- Ability to communicate complex ideas in a creative and accessible way is key.

### 2. Website Developer / Maintainer

- Help manage and improve our official website.
- Basic experience with website building (e.g., WordPress, HTML/CSS, or similar).
- A good sense of layout, navigation, and how to tell a digital story.

### 3. Social Media & Design

- Create engaging content for platforms like Instagram, LinkedIn, etc.
- Assist with branding, visuals, and video or graphic design.
- Ideal for students with strong aesthetic and storytelling skills.

### 4. School / Global Outreach

- Help expand WIKAIR's reach by contacting schools and potential collaborators.
- Great communication and writing skills are important.
- Initiative and cultural sensitivity are a big plus.

### 5. Fundraising Team

- Support sponsorship, grant research, and funding proposals.
- Ideal for students with an interest in social entrepreneurship or business.
- Strong writing and organizational skills are helpful.

### 6. Or... Propose Your Own Role!

We love creativity. If you have a fresh idea or skillset, suggest how you'd like to contribute!

## Why Join WIKAIR?

### For High School Students:

- **Develop Real Skills:** Gain experience in leadership, project development, communication, and design.
- **Make a Real-World Impact:** Advance digital literacy in underserved communities.
- **Grow With Mentorship:** Work closely with older students and advisors who will support your ideas.
- **Join a Global Team:** Collaborate across borders and cultures to solve meaningful problems.
- **Build Your Portfolio:** Showcase tangible contributions in applications for university, scholarships, or internships.

### For University Students:

- **Build Your Professional Profile:** Gain hands-on experience in public speaking, mentorship, and project management.
- **Expand Your Network:** Collaborate with global peers and connect with professionals in AI and education.
- **Enhance Your Career Prospects:** Strengthen your resume with purposeful leadership experience.

## How to Apply:

Please send us:

- Your **CV/resume** (highlighting relevant experience or interests).
- A **short statement** (150–200 words) explaining:
  - Why you want to join WIKAIR.
  - What role(s) you're applying for.
  - How you hope to contribute.
- (Optional) A portfolio or example of your past work.

 Email your application to: [contact@wikair.org](mailto:contact@wikair.org)
